Landscape Industries Association of New Zealand Inc ENVIRONMENTAL POLICY

Landscape Industries Association of New Zealand's objective is for its members to minimize the impact of their operations on the Environment.

Our policy is to encourage our members to:

1. Maintain full compliance with legislation and standards in relation to the Environment and whenever possible exceed these standards.
2. Take all practical steps to reduce and eliminate harmful waste, discharges and the use of hazardous materials.
3. Promote the use of environmental friendly products and practice environmentally sound work practices.
4. Consult with regulatory authorities, surrounding communities and other affected parties to identify the most effective approach to mitigating adverse environmental effects.
5. Develop and implement Environmental Management Plans that will:
 - Carry out regular checks of procedures and plans
 - Provide emergency procedures for the control and prevention of spills.

Landscape Industries Association of New Zealand is committed to the promotion of excellence in environmental management by its members.
